NEW ENGLAND PATRIOTS CHARITABLE FOUNDATION DONATES \$200,000 IN THE NAMES OF 2015 MYRA KRAFT COMMUNITY MVP AWARD WINNERS

Twenty-six New Englanders honored at Gillette Stadium during the 2015 Myra Kraft Community MVP Awards.

Holly Brown of Whitman, Mass. wins second prize of \$10,000 for Looking and Feeling FAB.

FOXBOROUGH, Mass. — The Kraft family and New England Patriots Charitable Foundation's Myra Kraft Community MVP Awards place a spotlight on those who give their time to help others and exemplify leadership, dedication and a commitment to improving their communities through volunteerism. Each year, the Kraft family and the New England Patriots Charitable Foundation host the awards program as part of the ongoing Celebrate Volunteerism initiative in honor of Myra Kraft's example of being a lifelong volunteer.

On June 9, 26 volunteers were recognized for their contributions at a luncheon and awards ceremony at Gillette Stadium. Each Community MVP received grants for their respective nonprofit organizations. Fifteen New England-based organizations were presented with \$5,000 grants in honor of their volunteers' work. Ten others received grants of \$10,000 and one grand prize winner was presented \$25,000.

"It is truly inspiring to hear the incredible stories of each Myra Kraft Community MVP Award winner," said Patriots Chairman and CEO Robert Kraft. "Every volunteer has such a unique story about how they got involved in their community and it is very touching to learn about their impact. These individuals are making a lasting impact on a daily basis and we are excited to have the opportunity to thank each of them for their commitment. This is truly one of my favorite programs and I know Myra would be proud of the work each of these volunteers are doing."

On hand to congratulate the award winners was Patriots Chairman and CEO **Robert Kraft**, New England Patriots Charitable Foundation President **Joshua Kraft**, Patriots and Pro Football Hall of Famer and Patriots Executive Director of Community Affairs **Andre Tippett**, and Patriots players including linebacker **Jerod Mayo**, tackle **Nate Solder** and kicker **Stephen Gostkowski**.

Holly Brown of Whitman, Mass. was selected as a **\$10,000** second prize winner.

"I am honored to receive the 2015 Myra Kraft MVP Community MVP Award," said Holly. "It validates all the hard work and long hours I put into creating and building Looking and Feeling FAB, Inc."

Just over two years ago, Holly created this foundation as a way to help support cancer patients who encounter burns, rashes, itchiness and more from their chemotherapy. As a certified oncology aesthetician, Holly offers free services to over 25 people through her program. She spends hours doing her own research to find ways to help the clients and is consistently researching new products to find out the safest way to help her patients.

"On behalf of the Board of Directors for Looking and Feeling FAB, Inc., this recognition of our Executive Director / Founder Holly Brown, means we can continue to help those in need of our services, providing free treatments, products and education to those suffering the skin side effects as a result from treatment, including chemotherapy and radiation," said John Brown, President of Looking and Feeling FAB. "Receiving the 2015 Myra Kraft MVP Community Award means Holly's selflessness and devotion, caring, concern, and compassion are validated and recognized. Holly is the core center of Looking and Feeling FAB, Inc. What motivates Holly the most and keeps her focused on this charity is receiving affirmation from her clients on their improved health as well as their positive attitudes from the services she provides."

Despite encountering her own share of health problems, Holly has been steadfast in her commitment to volunteering and is a major advocate at cancer centers in the area.

"Volunteering is such an important part of my life," Holly continued. "When I was diagnosed with Multiple Sclerosis at the age of 25 and then Sarcoidosis some years later, I felt my life was over. However, I now realize it was just the beginning. I find that volunteering helps me to put my own issues in perspective, by giving me a purpose and helps me to have a positive outlook. I can relate to those with illnesses but I can also spread positivity, lend a sympathetic ear and most importantly offer products and education to combat the skin side effects a person may be experiencing from treatment, which improves their quality of life."

The 2015 MVPs represent all six New England states, a variety of nonprofit organizations and range in age from 17 to 83 years old. The Kraft family and New England Patriots Charitable Foundation received a record number of applications this year from nonprofit organizations looking to recognize their outstanding volunteers. Nominations open each spring and the awards are open to all nonprofit organizations in the New England region. For more information on these awards, please visit www.patriots.com/community.
